

Tuesday, 29 April 2025 - JCR Meeting Minutes

Attendees

Sarah, Keane, Ruxi, Vlad, Tate, Charlotte, Lizzie, Belle, Tom-Avery, Angelina, Sofii, Francesca, Henry, Jack

Sarah (President)

- Appreciation for everyone's work leading up to Easter, particularly contributing to the JCR Easter term card.
- **Welfare consent workshops:** run through an external company, but the bill was not settled with the previous JCR, so the current JCR has to contribute (max £150).
- **Merton swaps:** 28 Merton students coming for a formal on May 10th. Trip to Merton is confirmed.
- **Accommodation forum:** Friday @10am.
- **Prayer room:** choice between Hostel and SPT: Hostel would be better (more central and accessible than SPT), will assemble a committee (college is supportive and is invested in making it as inclusive as possible).
- **Freshers Week 2025**
 - Alternative freshers week: only Corpus has signed up. Some other colleges are exploring the option to switch.
- **Logo competition:** submissions are in, will send out the shortlisted entries to be voted on.
- **Stats for rent increases:** collated information from FOIs, web archives and talks with other colleges' officers. Data shows that Peterhouse rent is getting more expensive relatively to other colleges compared to previous years.

Lizzie (CCE)

- Green week: begins May 5, intercollegiate (Peterhouse events open to other colleges).
- Approval for film screenings (theme: biodiversity), needs 2 stewards (and 1 backup).
- Herb potting (same time as welfare ponies, but shouldn't be an issue. 40-50 pots, 1 per person) and a plant-based picnic (Sunday, 11th)
- Food waste petfess: has a meeting later today with other CCE officers where she will explore how other colleges deal with food waste.

Henry (Ents)

- Website could be better (eg drop-down menu on the top).
- Everything so far is in order for the Garden Party.

Charlotte (Frep)

- Events on the freshers week wristband are more spaced out than last year.
- Suggestion for a non-drinking ice skating event during freshers week, no need to firm it right now.

Belle (Women's & enby)

- Welfare ponies: 6 groups per 10, 5 people per a pony. Will send out a sign up email a week in advance.

Francesca (Class Act)

- Sent the Canva poster she has been working on to college. They have been looking at it for a while, so she is going to follow up with them, but they have expressed interest to put it up on the intranet as well.
